NERVOUS OVER CALIFORNIA

The President Intervening to Prevent the State from Offending Japan.

GOVERNOR SMITH'S MESSAGE.

He Urges Harmony Between Americans and Filipinos—Engineers at Panama.

SACRAMENTO, February 1.—President Roosevelt has written to Governor Gillett to the effect that there is no objection to California enacting a law to prohibit the holding of Californian land titles by foreigners, providing that there is nothing in the law to discriminate against the Japanese.

The President protests strongly, however, against the passage of laws interfering with treaties or calculated to give offense.

STUDENTS NOT GUILTY.

BERKELEY, February 1.—President Wheeler, of the State University, alleges that the attack made upon a Japanese student on the campus on Saturday was not made by other students. He declares that the incident was a trifling one.

THE STORY FIRST TOLD.

BERKELEY, January 31.—A Japanese student at the State University has been attacked and driven off the campus by University undergraduates.

THE PHILIPPINE ASSEMBLY.

MANILA, February 2.—The Philippine Assembly convened here today, being formally opened by Governor Smith. The Governor, in his annual message, deplored the widening gulf between the Americans and the Filipinos, and urged that the two races living in the islands develop a closer unity. The message criticized the way the city was policed.

GATUN DAM ALL RIGHT.

PANAMA, February 1.—The engineers who have accompanied President-elect Taft here, after making an examination of the Gatun dam, declare the conditions there and the progress of the construction work satisfactory.

On Fort street across from the Convention the new "Park" Theatre is under course of erection. Howard Laws and Harry Werner, two well known and experienced moving picture men are the owners. An open air theatre is what Honolulu wants.

It is denied in the Hawaii Herald that the Board of Supervisors of Hawaii wrote or authorized an inquiry of the Board of Health relative to the reasons for dismissing Fish Inspector Herring.

GERMANS COME BY SHIPLOAD

FIVE THOUSAND EMIGRANTS WILL LEAVE KAISER'S LAND THIS WEEK.

BERLIN (Germany), January 19.—The number of passengers booked for steerage accommodation on the steamships leaving German ports this week indicates that the tide of emigration to America is again setting in apace.

The Kaiser Wilhelm der Grosse left Bremen today with all the berths taken, and 1000 steerage passengers will leave later in the week for Galveston and Baltimore, to be followed by 1500 emigrants bound for New York. The total for the week on one line alone will be 5100 passengers, who intend to make their homes in America.

Steamship officials are elated and hope that the volume of emigration during the spring and summer will tend to make up to a considerable extent for the slack traffic for 1908, when the number of persons leaving Europe for America fell nearly 1,000,000 below the record for the previous year, the decrease affecting profits disastrously.

GREAT BATH TUB FOR TAFT'S USE

NEW YORK, January 19.—William Howard Taft will have the use of the largest bath tub made for an individual during his forthcoming voyage on the battleship North Carolina from Charleston to Colon and back again. It is to be fitted especially for Taft's comfort and if he should take a fancy to its pond-like dimensions there is no reason why it should not be transferred from the North Carolina and go to the White House with other personal baggage of Taft's on March 4th. It will hold four ordinary men and is the largest ever manufactured, the makers say. It is seven feet one inch long, forty-one inches wide and weighs a ton. It is exactly one-half as large again as the ordinary bathtub of most ample proportions furnished to the trade, but the ordinary tub weighs only 400 pounds.
